If you have any questions, please do not hesitate to ask. Please check our website for horses available for lease, but also reach out to us, because there may be a perfect match for you that we have not yet listed on our site.

- All of our leases are on-site, and we do not allow outside trainers at Scattered Acres Sport Horses except for in a clinic setting.
- In order to qualify for our leasing program, every rider must take at least one lesson a week.

- All lessees must clean the tack they use once a week. They may use the barn's tack cleaning supplies..
- If the lessee wishes to show, they must lease at least 3 days/week.
- There are 4 options for leasing. Pricing is dependent on the desired horse. Please let us know which horse you are interested in so we can discuss the cost. Price ranges are listed below:
